

Cub Cadet[®]

PRODUCT LINE 1989

GARDEN TRACTORS

Cub Cadet offers seven dependable garden tractors for every size job. Each is designed for durability with a full-length, twin-channel steel frame and cast-iron front axle. Each model is powered by a rugged Kohler engine, the finest air-cooled engine in the industry. For average size lawns and small gardens, homeowners can choose from our new 10HP model with a 3-speed gear transmission or two 12HP models with hydrostatic transmissions. For larger lawns and gardens, homeowners may prefer the Cub Cadet 18HP tractor with a choice of 6-speed or hydrostatic transmission. "Quick Attach" options make these tractors suitable for mowing, snow plowing, filling and a variety of other lawn and garden chores.

OPTIONAL ATTACHMENTS

Available for all Cub Cadet garden tractors (models 1050/1210/1211/1806/1810/1811/1812).

- 42" Snow blade
- 54" Snow blade
- 45" Snowthrower
- 8HP Tiller
- Category "O" 3-point hitch
- Triple rear bagger for 46" deck (9-bushel capacity)

SUPER GARDEN TRACTORS

Cub Cadet's large-frame garden tractors are designed and built to handle the toughest jobs. With a rugged 78.5" full-length, twin-channel steel frame and a powerful 17, 18 or 20HP engine, these machines are perfect for home or professional use. Standard features like power steering, no-clutch/no-shift hydrostatic direct drive, and an adjustable high-back cushioned seat, make these Cub Cadet tractors easy to operate. And with "Quick Attach" options like a snowthrower or tiller, you can expand Cub Cadet's capabilities for year-round use.

OPTIONAL ATTACHMENTS

Available for all Cub Cadet Super Garden Tractors (Models 1772/1872/2072)

LAWN TRACTORS

Cub Cadet lawn tractors offer versatility, affordability and long-lasting value. All eight models (1015/1020/1315/1320/1415/1420/1715/1720) feature full-length, twin channel steel frames, cast-iron front axles, and powerful 10, 12½, 14 or 17 horsepower engines. Standard features like the easy to use controls, soft-grip steering wheel, and adjustable cushion seat add to the comfort and convenience of these machines. Cub Cadet's 32", 38" or 46" high vacuum deep decks and baggers are aerodynamically designed to cut lawns evenly and cleanly. And with Cub Cadet's electric PTO switch (not available on 1015 or 1020), all attachments can be operated right from the driver's seat!

OPTIONAL ATTACHMENTS

POWER MOWERS

Cub Cadet offers a complete line of walk-behind power mowers for home and commercial use. All four models are powered by a sturdy Briggs & Stratton engine for years of reliable service. The Cub Cadet 3½HP push mower with 20" deck is available in side discharge. Cub Cadet's self-propelled mowers make lawn cutting easier and less strenuous. These two 21" mowers feature a 4HP MAX engine and offer convertible capability. For professional-type mowing of larger lawns and difficult terrain, Cub Cadet offers the self-propelled 5HP high-wheel mower with large 16" pneumatic tires that provide excellent traction in a variety of soil conditions.
