

# Garden Tractors

A yellow and white Cub Cadet riding lawn mower is shown from a side-rear perspective on a green golf course. The mower has a black seat, a steering wheel, and a white engine cover with blue and yellow accents. The background features a line of trees under a clear blue sky.

One Tough Tractor.

■ Make no mistake—the 1991 Cub Cadet Garden Tractor is *not* a glorified riding mower. It's a big, powerful, rugged tractor that handles a wide range of yard and garden jobs—including mowing.

■ Consider these outstanding qualifications:

- Engines all the way up to 21 HP and 3 cylinders.
- Power steering—or enclosed, greasable gear and cam steering—for effortless, controlled maneuverability.
- Your choice of hydrostatic or easy-shift transmissions for smooth-as-silk speed changes.
- Rugged, efficient shaft drive. No wimpy belts to slip or break.
- Truck-tough, full length, twin-channel steel frame. Cast-iron front axle. All-steel fenders. Hood and side panels of rustproof, dent-resistant engineered materials that never need painting.
- It all adds up to a drift-kicking, clod-busting, tool-hauling bully of a tractor that's more than up to any yard or garden task you have in mind.
- Oh yes . . . it also happens to be one of the finest mowing machines on the market. With powerful cutting decks up to 60" wide that provide professional-looking results every time. Whatever the terrain. Whatever the turf conditions.
- Best of all, the Cub Cadet Garden Tractor is manufactured right here in America . . . by American workers. And backed by over 1500 factory-trained servicing dealers—and a 2 year limited warranty.
- The Cub Cadet Garden Tractor. One tough tractor.

# All The Right Innovations

## Tilt Steering Column

Features 6 locking tilt positions and 14" 4-spoke automotive-style wheel for easy, comfortable operation.

## Adjustable Seat

Automotive-style, 5-position, single-lever adjustment, for extra comfort. (On all garden tractors except model 1535)

## Fuel Tank

5-Gallon capacity saddle tank, for long operating time.

## Driveshaft and Coupling

$\frac{3}{4}$ " Diameter steel shaft with 10-blade fan. Grease-packed, constant-velocity style coupling with flexible boot to seal out dirt and dust.

## Rear Axle

30mm forged axle, with ball bearings and heavy axle carriers, for rugged durability.

**Battery**  
Automotive, 440 cold-cranking amps with 70-minute reserve, for sure starts.

**Hood and Side Panels**  
Rustproof, dent resistant engineered materials, with molded through color.

**Headlights**  
Dual, halogen lamps, for excellent visibility at dusk.

**Fenders and Scuff Mats**  
Three-piece steel fenders, non-skid rubber mats, for less scuffing.

**Front Axle**  
Redesigned cast iron pivot bar, for stability and improved turning radius.

**Steering Knuckles**  
One-piece, 1" diameter construction, for safe operation over any terrain.

**Front Wheel Grease Fitting**  
External grease fitting, for long life and easy maintenance.

The Best of Everything.

*Model 2182 Super Garden Tractor  
21 HP / Hydrostatic Transmission / Optional 60" Cutting Deck*

This is no time for modesty. The Model 2182 is flat out the finest garden tractor on the market today—bar none! It has everything you could possibly need or want in a residential tractor.

21 horses of smooth, effortless power. More than enough power for fast, precision mowing on any kind of terrain, regardless of turf conditions. Plenty of power to handle a wide range of optional attachments such as snowthrowers, snow blades, tillers, plows, harrows, cultivators, aerators, trailers, lawn rollers, broadcast spreaders, and lawn sweepers.

The Cub Cadet Model 2182. It's the tractor you've always wanted—and all the tractor you'll ever need.

- 21 HP 3-Cylinder Liquid-Cooled Gas Engine.
- Infinitely Variable, Hydrostatic Transmission.
- Shaft Drive (No Belts).
- Power Steering.
- 6-Position Tilt Steering Wheel.
- 5-Position Safety Seat, With Single-Lever Adjustment.
- Hydraulic Lift For Front, Rear And Center Attachments.
- Electric Front PTO Standard. Rear PTO Optional.
- Dual External Disc Brakes With Dual Pedal Control.
- Full Length Twin-Channel Steel Frame.
- All-Steel Fenders. Hood And Side Panels Of Rustproof, Dent-Resistant Engineered Materials That Never Need Painting.
- Optional 60", 50" Or 46" Cutting Decks With Floating Suspensions And Anti-Scalp Wheels Or Rollers.
- 5 Gallon Fuel Tank.
- Front Tires: 18" x 8.50" - 10" (2-Ply).  
Rear Tires: 26" x 12" - 12" (2-Ply).

#### Model 1782 Super Garden Tractor

The same quality features as the Model 2182, with a 17 HP, 3-cylinder, liquid-cooled diesel engine.

*Model 1782 Super Garden Tractor, with optional 46" cutting deck, and triple bagger. Powered by a 17 HP diesel engine.*

*Optional 50" Cutting Deck*

*Power steering is standard on Super Garden Tractors.*

# Rugged, Versatile Powerhouse.

*Model 2082 Super Garden Tractor  
20 HP / Hydrostatic Transmission / Optional 46" Cutting Deck and Triple Bagger*

The Model 2082 is powered by a 20 HP, 2-cylinder Kohler engine. (In almost every other respect it's identical to our top-of-the-line Model 2182.) With the 2082 you give up one horse and one cylinder—but that still leaves plenty of smooth, reliable power for all your mowing requirements. And you can use the same optional cutting decks and attachments as with the 2182.

- 20 HP 2-Cylinder Kohler Gas Engine.
- Infinitely Variable, Hydrostatic Transmission.
- Shaft Drive (No Belts).
- Power Steering.
- 6-Position Tilt Steering Wheel.
- 5-Position Safety Seat, With Single-Lever Adjustment.
- Hydraulic Lift For Front, Rear And Center Attachments.
- Electric Front PTO Standard. Rear PTO Optional.
- Dual External Disc Brakes With Dual Pedal Control.
- Full Length Twin-Channel Steel Frame.
- Cast-Iron Front Axle.
- All-Steel Fenders. Hood And Side Panels Of Rustproof, Dent-Resistant Engineered Materials That Never Need Painting.
- Optional 60", 50" Or 46" Cutting Decks With Floating Suspensions And Anti-Scalp Wheels Or Rollers.
- 5 Gallon Fuel Tank.
- Front Tires: 18" x 8.50" - 10" (2-Ply).  
Rear Tires: 26" x 12" - 12" (2-Ply).

#### Model 1882 Super Garden Tractor

The same quality features as the Model 2082, with an 18 HP, 2-cylinder Kohler Magnum engine.

Model 1882 Super Garden Tractor with optional 50" cutting deck. Powered by an 18 HP twin-cylinder Kohler Magnum engine.

The optional 60" cutting deck mows a wide path. Gets the job done fast.

The 20 HP twin-cylinder Kohler Magnum engine makes the Model 2082 a real powerhouse!

The Super Garden Tractor dash is user friendly. Backlit indicators provide valuable information while operating.

Dual hydraulic front outlets allow for power-assisted attachments. (Hydraulic Outlet Kit: Part No. 759-3493)

# Big Performance, Compact Maneuverability.

*Model 1862 Garden Tractor  
18HP / Hydrostatic Transmission / Optional 50" Cutting Deck*

The Model 1862 Garden Tractor combines outstanding power and ruggedness with a compact easy-to-maneuver frame.

The 18 HP, twin-cylinder Kohler Magnum engine supplies plenty of power for all your lawn and garden chores.

- 18 HP 2-Cylinder Kohler Gas Engine.
- Infinitely Variable Speed, Hydrostatic Transmission.
- Shaft Drive (No Belts).
- Power Steering.
- 6-Position Tilt Steering Wheel.
- 5-Position Safety Seat, With Single-Lever Adjustment.
- Hydraulic Lift.
- Electric Front PTO Standard.
- Dual External Disc Brakes.
- Full Length Twin-Channel Steel Frame.
- Cast-Iron Front Axle.
- All-Steel Fenders. Hood And Side Panels Of Rustproof, Dent-Resistant Engineered Materials That Never Need Painting.
- Optional 50", 46", 44" Or 38" Cutting Decks With Floating Suspensions And Anti-Scalp Wheels, Rollers Or Runners.
- 5 Gallon Fuel Tank.
- Front Tires: 16" x 6.50" - 10" (2-Ply).
- Rear Tires: 23" x 10" - 12" (2-Ply).

#### Model 1860 Garden Tractor

Model 1860 is identical to Model 1862, except for non-power steering and implement lift.

*Model 1860 Garden Tractor with optional 46" high-vacuum cutting deck and triple bagger.*

*Optional 44" cutting deck.*

*Models 1862 and 1860 are powered by the rugged, 18 HP twin-cylinder Kohler Magnum engine.*

*The dash on the Model 1860, 1862 Garden Tractor features easy-to-use controls.*

# Versatile, Medium-Powered Compact.

*Model 1541 Garden Tractor  
15 HP / Hydrostatic Transmission / Optional 46" Cutting Deck and Triple Bagger*

The Model 1541 features a compact frame and tight turning radius, for outstanding maneuverability. For operator convenience, it has hydrostatic transmission and hydraulic lift.

- 15 HP 2-Cylinder Kohler Gas Engine.
- Infinitely Variable Speed, Hydrostatic Transmission.
- Shaft Drive (No Belts).
- Gear And Cam Steering.
- 6-Position Tilt Steering Wheel.
- 5-Position Safety Seat, With Single-Lever Adjustment.
- Hydraulic Lift.
- Electric Front PTO Standard.
- Dual External Disc Brakes.
- Full Length Twin-Channel Steel Frame.
- Cast-Iron Front Axle.
- All-Steel Fenders. Hood And Side Panels Of Rustproof, Dent-Resistant Engineered Materials That Never Need Painting.
- Optional 50", 46", 44" Or 38" Cutting Decks With Floating Suspensions And Anti-Scalp Wheels, Rollers Or Runners.
- 5 Gallon Fuel Tank.
- Front Tires: 16" x 6.50" - 10" (2-Ply).  
Rear Tires: 23" x 10" - 12" (2-Ply).

#### Model 1535 Garden Tractor

The Model 1535 has a 15 HP, twin-cylinder Kohler Magnum engine, a 6-speed gear transmission, and a manual lift.

Model 1535 Garden Tractor, with optional 44" cutting deck.

Optional 46" high-vacuum cutting deck.

The Model 1535 Garden Tractor dash offers easy-to-use controls.

Models 1541 and 1535 are powered by the rugged 15 HP Kohler Magnum engine.

# Economy Without Compromise.

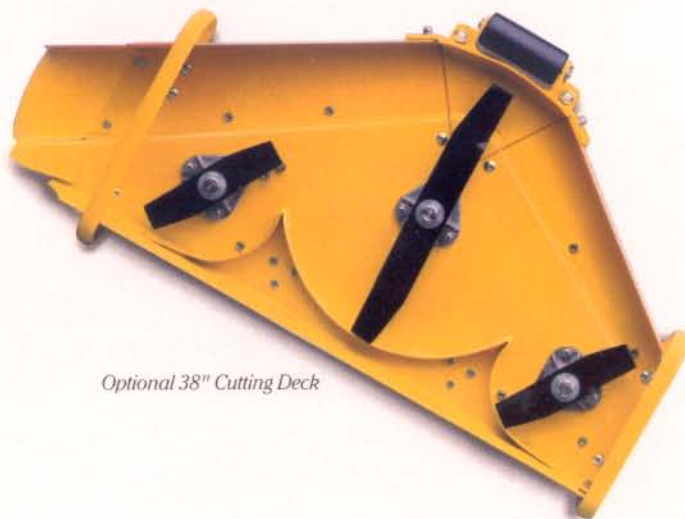

*Model 1340 Garden Tractor  
12.5 HP / Hydrostatic Transmission / Optional 46" Cutting Deck and Triple Bagger*

The Model 1340 is our lowest priced Garden Tractor. The engine is a powerful 12.5 HP, 1-cylinder overhead-valve Kohler. The steering is non-power gear and cam. The lift is manual. The Model 1340 also provides many "luxury" features other makers would reserve for their higher-priced models. Hydrostatic transmission. Adjustable tilt steering wheel. Single-lever adjustable seat. And above all, the same truck-tough ruggedness we build into *every* Cub Cadet tractor!

- 12.5 HP 1-Cylinder Overhead-Valve Kohler Gas Engine.
- Infinitely Variable Speed, Hydrostatic Transmission.
- Shaft Drive (No Belts).
- Gear And Cam Steering.
- 6-Position Tilt Steering Wheel.
- 5-Position Safety Seat, With Single-Lever Adjustment.
- Mechanical Lift.
- Electric Front PTO Standard.
- Dual External Disc Brakes.
- Full Length Twin-Channel Steel Frame.
- Cast-Iron Front Axle.
- All-Steel Fenders. Hood And Side Panels Of Rustproof, Dent-Resistant Engineered Materials That Never Need Painting.
- Optional 44" Or 38" Cutting Decks With Floating Suspensions And Anti-Scalp Wheels, Rollers Or Runners.
- 5 Gallon Fuel Tank.
- Front Tires: 16" x 6.50" - 10" (2-Ply).  
Rear Tires: 23" x 10" - 12" (2-Ply).

*Optional 38" Cutting Deck*

*38" High-vacuum cutting deck works with a 10-bushel triple bagger for maximum mowing efficiency.*

*Model 1340 dash, with easy-to-use speed control lever.*
